### Good luck

We are sad to say that Mrs Ramsey will be leaving us today. We would like to wish her good luck in her new job with the NHS and hope that she stays in touch with the school. She has been a fabulous member of the MP team and will be missed.

### Sports Days

We are super excited about our upcoming sports week. We have lots of different sports for the children to experience **including a large climbing wall on the Thursday and Friday**. Our sports days will be slightly different this year as we plan to hold 4 separate sports days over 4 days- Tuesday - Friday. This has been very much dictated by Covid. Making these changes will hopefully enable us to invite parents to watch.

The dates are as follows-

Tuesday 29<sup>th</sup> 9.15am- Reception

Wednesday 30<sup>th</sup> 9.15am- Year 1 & Year 2

Thursday 1<sup>st</sup> 9.15 am - Year 3 & Year 4

Friday 2<sup>nd</sup> 9.15am - Year 5 & Year 6

Each sports day will have team events and individual events as we always do. More

information regarding sports week and sports day will follow after half term.

### Awards night

We are very pleased to announce that we plan to run our annual awards night. The children have been asking about this all year and it would be such a shame if we could not run this popular event. We have set aside a date of Wednesday 14<sup>th</sup> July after school. We hope to hold the event outside and hope to be able to invite parents. This will be very much reliant on the situation at the time and guidance from national government. We will send more information out about this event after half term.

### Leavers disco

We are pleased to announce that we will be holding a leavers disco on the penultimate date of term - Thursday 15<sup>th</sup> July. Again, it will need to be slightly different this year but we will ensure that it is exciting and fun for all of the children and help them celebrate a great year in school and being a year older! More details will follow closer to the event.

### OPAL - Outdoor Play and Learning

Keep an eye out for the donation signs on the Blue container on the playground. We are also placing messages on our Facebook and Twitter feeds.

Thank you to those parents and children who have already donated items for the children to use in their play. I can honestly say that the play at lunchtimes and breaktimes is wonderful to see. The children are so much more engaged and use their imaginations in so many different ways to play. We can't wait for the developments we have planned for next year. Watch this space!

### Bikes and Scooters

It is absolutely brilliant that so many children are coming to school on bikes and scooters. We counted over 40 one day this week. We have plans to install a bike 'shed' and a scooter 'shed' over the summer term. Hopefully this will go ahead and the children will have somewhere to

store their bikes/scooters when the weather is not so kind.
