Newsletter 15

Dear Parents/Carers,

Covid 19 Update

Can I offer a polite reminder for all parents/adults to wear a face covering whilst on school grounds. We have noticed more adults not wearing masks and we understand that there is a certain amount of fatigue relating to Covid but it is still very real and we currently have children isolating due to positive cases in school.

I can also assure parents that we speak to Public Health England and the Department for Education directly (within the hour) when we have a suspected case in school. The letters that we send to you are the LATEST guidance from them. We follow their advice and guidance when identifying children and staff who have been close contacts.

Sports Week-

What an amazing week. We have missed our Y1 who have been isolating from Wednesday but as soon as they are back in school we will run their sports day so that they do not miss out.

The children have had such a fabulous time as have the staff! The joy on their faces, the energy and number of children taking part in different activities on the field and in the Spinney was something special. The children had real positive attitudes to all of the different sports and have tried every one with real gusto and many for the first time. It definitely lifted the spirits of staff and children at the end of another challenging year.

Here is a full list of the sports/events that the children have taken part in this week:

Yoga, tag rugby, netball, cricket, parachute games, circus skills, Para Olympic events, dance, dodgeball, obstacle course, scooter skills, assault course, boot camp, archery, climbing wall and also sports days for each bubble.

Awards Ceremony

Our Awards ceremony will take place this year which is great news. We will be holding the ceremony in school on the morning of Wednesday 14th July. I am afraid we will not be able to invite parents but all of the children will be present so it will be lovely for us all to share in such a special event. We will take pictures and share on our social media platforms.

Leavers Disco

Our leavers disco will still take place as planned. We are pleased to announce that we will be holding it on the penultimate day of term - Thursday 15th July. A letter will be sent to all parents next Monday with the full details.

Class Photos

Year 3 and Year 5H were not in school when the school photographer visited. We have been lucky enough to arrange for them to return to school to take both class photos (Next Monday 5th July). Parents and carers will then receive an email and details on how to access the photo. Wherever possible we have done all that we can to minimise the impact of any isolation caused by Covid.

End of Year Assessment/Reports

Our assessments and reports are being finalised this week and will be sent out to all parents next week. This will also inform you of the teachers that will be teaching your child's class next year.

Transition Day

We will still be completing a transition session with the children on the afternoon of Wednesday 14th July. The children will remain in their existing classrooms or go outside and we will be careful to ensure all of the Covid distancing rules will remain in place.
