Dear Parents/Carers,

Attendance

Congratulations to all of the children who have achieved 100% attendance this term. There were over 50 children who were all called out in assembly to receive their certificate. Of those children, Janik in Year 5 was pulled out of a hat to receive the family prize of £40 worth of Pizza express Vouchers. Remember, you've got to be in it...to win it.

Attendance is extremely important for the children to achieve their full potential and increasing the overall attendance of the school is a priority.

As well as certificates and a family prize, all of the children who achieved an attendance of 98% or greater will be involved in an afternoon attendance treat on the first Friday of the new term. Letters will also be going out to all parents on the first day back outlining the attendance of the children.

MPSA Red nose day - Orienteering

All of our children from Reception to Year 6 took part in a day of orienteering around the grounds of our school. We were very lucky with the weather and the children showed their problems solving skills and teamwork to solve the clues. All of the clues when put together created a joke. A great day was had by all. Thank you to the MPSA for their support throughout the day. A special thank you to Mollie Denham's mum & dad who helped the school set up the orienteering course.

MPSA - Easter Egg Hunt -

Last night was a treat for all involved. The children had a great time searching for Easter

Eggs in the school's Spinney. A big Thank you to Miss Moreland and also: Courtney, Skye, Maisy, Roxanne, Dominic, Mia and Katy from Year 6.

Upcoming MPSA event-

Please make a date in your diary for the Manor Park School Association quiz night. It would be great to see the hall full of teams having fun and testing their general knowledge. The date of the event is- Thursday 25th May. Remember that any money that the MPSA raises goes straight to the school and to support all of the children so any support for these events is appreciate by the school.

End of term Prizes -

Well done to Amy Gallie from Year 1/2 who correctly guessed the name of the Easter Duck - it was called Dolly and she was presented with her prize today in our end of term celebration assembly.

The Guess the number of Chocolate Eggs in the tub was a real talking point in school. The actual number of Eggs in the tub was 642...the winner was Sebastian Townend from Year 2 with an extremely close guess of 643. Don't eat them all at once Sebastian!

House champions

The children have worked hard all term, the house points have been counted and verified. The winners of the Spring Term House Champion's cup are ...

WARBURTON

Timestable Rockstars

Congratulations to the following Rockstars who have now achieved the status of Rock Star - Only 1 more step until they are ROCK LEGENDS!

**Verity Beckley, Maria Maroulis,
Frankie Rich, Hayley Cunningham**

A special mention must go to Sharon Noveskey otherwise known as - Katy Harrison from Year 6 who has obtained Rock Legend Status for having a recall speed of 1.34 seconds for every multiplication fact. Well done.

Please try and find time for your children to access Timestable Rockstars and My Maths at home.

Reception Class Assembly

The children from our reception class wowed the audience during their class assembly. They shared their learning, sang songs and gave a fabulous insight into the learning taking place. I can't believe they had a dinosaur visit their classroom and that they also found dinosaur eggs in our Spinney.

Year 3 Popera

Year 3 spent the morning singing and generally having a great time at Knutsford Academy. They had learnt different songs and dance moves and were joined by many other schools in creating a large performance. Here is a selection of Opera's and Pop songs that the children sang: Carmina Burana, Carmen, LaTraviata, The Marriage of Figaro, Nessun Dorma, One Call Away and Stitches! AMAZING!!

Year 4 Class Assembly

Year 4 showed what mature and responsible learners they were with the confidence in which they delivered their assembly. Using their literacy skills, they linked all of their recent learning with the residential trip to Conover hall. Well done Year 4.

Visitors

Reve Paul has visited the school to talk about the Easter Story, the NSPCC have spent time in school with Year 5 and Year 6. PCSO Zoe gave the children a talk about road safety. The children had a demonstration of fencing, (the one with swords!) which was extremely exciting for all.

Chicks in school

There was great excitement on Monday 20th March as 8 eggs arrived at Manor Park in an incubator. The children in KS1 looked after the eggs and after 3 days the chicks started to hatch. The children have learnt a lot from watching the hatching process, they have handled the chicks and watched them grow.

I am pleased to say that all of the chicks have been rehoused-

"It was really fun and an enjoyable experience because I learnt lots about them" Alicia - Year2

"I liked the chirping noises when they hatched"- Sebastian - Year 2

Y4 Residential to Conover Hall

Year 4 spent 2 nights and 3 days having a great time at Conover Hall. During their time there, they took part in the following activities: Abseiling, Orienteering, Aerial Trek, Multi Vines, Tunnelling and Body Zorbing. We are extremely proud of how much the children took from this visit. They definitely modelled the school's values. Any of the children overcame fears and learnt a lot about themselves during the trip. I would also like to thank the staff for taking the children on the trip.

Yours Faithfully,

Simon Cotterill Head Teacher

Diary Dates Ahead

Please check the school website regularly and remember all letters are put on to the website for your added convenience.
